

EDUCATION

B.Tech, InfomationTechnology

Vidyalankar Institute Of technology

2019 - 2023

CGPA: 8.00/10

Senior Secondary (XII), Science

SSC board

Year of completion: 2019

Percentage: 75.00%

Secondary (X)

SSC board

Year of completion: 2017

Percentage: 85.00%

INTERNSHIPS

Full Stack Development

Sarvh, Virtual

Oct 2021 - Nov 2021

Built a set of rich modern web applications. Converted UI/UX design into HTML & CSS to work with ReactJS. Made Backend API with ExpressJS & GraphQL. Used React Axios API to fetch data from backend and change the state in Redux.

Front End Development

Fintract Global, Virtual

Oct 2021 - Nov 2021

Buit Web Pages, Dashboard for Customer, Administrator, Bank Admin from scratch from React and Redux-Thunk. Made request to REST API using React axios to create and update the state of Redux. Optimized the previous Web App

Web Development

Vidyalankar Instistute Of Technology, Virtual

Jun 2021 - Sep 2021

V-Repo. An online repository management system for VIT, Wadala. I did the front end using React, Redux, Firebase + Microsoft Azure, React Router, Frammer Motion, redux-thunk, TailwindCSS+ styled-components + TwinMacro.

POSITIONS OF RESPONSIBILITY

I am a active Core Member of Google Developer Student Club of VIT, Wadala. Here, we have conducted many events and small courses regarding Android App Dev, Blockchain - Web 3.0 etc. We have successfully created and hosted GDSC website.
